

TALITA PAGANI

FRONT-END SPECIALIST / UX DESIGNER / PROJECT MANAGER

t: +55 14 991-697-693 | e: talita.cpb@gmail.com | **academic resume:** lattes.cnpq.br/1846402943977059

PROFILE

IT professional currently living in Bauru - Brazil. I started studying web design in 2001 and I've been working professionally since 2005. I already worked as back-end developer, front-end developer, interface designer, test analyst, project manager and requirements analyst. My focus is always UX and software quality, independently of the position.
